The members today discussed mainly about the non-use of plastic in the canteen and suggested some alternative measures. The following resolutions were taken -

1. To make the canteen "plastic free zone".
2. Separation of dustbin - a) one for solid waste
b) one for dry waste.
3. Use of steel utensils instead of plastic glass, plate and no thermocol plates.
4. Canteen timing to be displaced - by order principal.
5. Teacher's room to be improved.
