

Field Trip cum excursion to Sikkim (East and South Sikkim)

As per the CBCS syllabus, students of B.Sc 5th Semester 2022 of Botany Honours visited Sikkim from 22nd November to 25th November 2022 under the guidance of Amit Kumar Pradhan, Deepika Borah and Barnali Das. During this period various places were visited such as Plant Conservatory, Flower exhibition centre, Tsangmo Lake, Baba Mandir, Char Dham, Monasteries, Sai Baba Mandir, Temi Tea garden etc. Students collected various cryptogamic and phanerogamic plants along with lichens and experienced the diverse alpine vegetation of the area. Diverse flora was explored by the team; they have also witnessed some rare and endemic plants like Rhododendron, tree ferns, orchids, *Calceolaria*, *Bromeliads*, etc.,
