

## **ACCOUNT OF THE PROJECT REPORT**

As a part of their Practical training, the students of 4<sup>th</sup> Semester (BA/BSc) (Honours) were required to write a project report on any topic related to culture aspects of the community. The training which is a part of their CBCS syllabus for Paper ANT-HC-4036 (Research Methods), included report writing with preparation of research problem, study design, data collection techniques, and analysis. Due to the Covid-19 situation, the visit to field was not possible for data collection, hence the students were asked to gather data from their family members and write a report based on the problems and difficulties faced by them during the Covid-19 lockdown. Their reports were supervised and evaluated by Dr. Chandrani Sarma, Department of Anthropology, Pragjyotish College.
