

ACCOUNT OF THE PROJECT REPORT

As a part of their Practical training, the students of 6th Semester (TDC BA/BSc) (Major) were supposed to write a dissertation on any topic related to culture aspects of the community. The training which is a part of their syllabus (Old Course) for Paper M 606 Practical (Social Anthropology), included collecting relevant data from a community and submitting a report to the department. Due to the Covid-19 situation, the visit to field was not possible, hence the students worked on secondary data to write their dissertations. Their reports were supervised and evaluated by Dr. Gangotri Bhuyan, Department of Anthropology, Pragjyotish College.
