Green Campus Initiative Report Pragjyotish College Academic Year: 2019-2020

Introduction

The Green Campus Initiative at Pragjyotish College is dedicated to promoting environmental sustainability and awareness. This report outlines key initiatives and achievements for the academic year 2019-2020.

Initiatives and Activities

LED Lighting

Numerous rooms across various blocks of the college were equipped with LED lights, reducing energy consumption and promoting environmental consciousness.

RESULTS
POSTER MAKING COMPETITION
THEME: SAVE NATURE AND BIODIVERSITY

1st Position: Tarjama Talukdar (BA 2nd Sem Geography)

2nd Position: Gautam Kherkatary (B.Sc. 4th sem Botany)

3rd Position: Arrayyak Kar (BCA 2nd Sem)

1st Position: Tarjama Talukdar (BA 2nd Sem Geography)

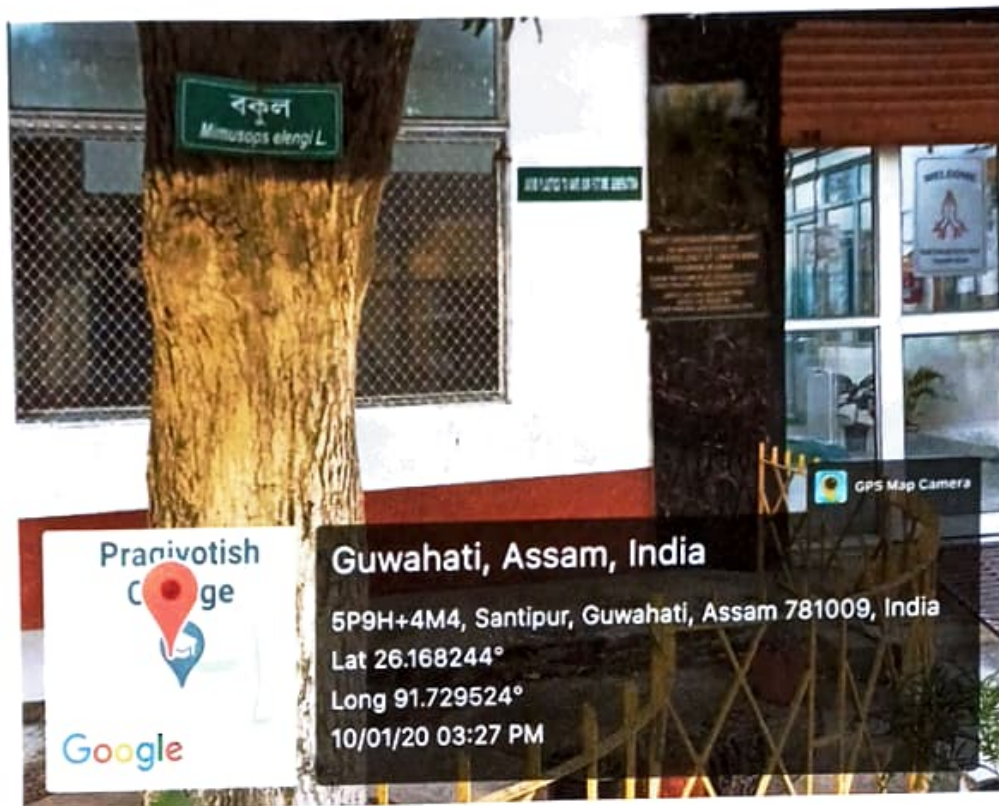

Organized an online poster making and slogan writing competition to raise awareness about environmental resources during the World Environment Day celebrations in 2020.

Waste Management

Installed dustbins throughout the campus to encourage proper waste disposal and reduce plastic waste.

Plastic Minimization and Gardening

Implemented measures to minimize the use of plastic items and promoted the use of alternatives and enhanced the campus aesthetics and biodiversity through extensive flower plantation and gardening activities.

Achievements

Energy Efficiency: Significant reduction in electricity consumption through the installation of LED lights.

Increased Green Cover: Expanded the campus green cover and botanical diversity through continuous plantation drives.

Environmental Awareness: Successfully raised environmental awareness among students and staff through educational events and competitions.

Waste Management: Improved waste management practices with the installation of bamboo dustbins, reducing reliance on plastic.

Pragjyotish College remains committed to sustaining and enhancing its green campus initiatives, fostering an eco-friendly environment for future generations.
