Dr. Utpal Sarma, resource person today discussed in length about how to move forward for NAAC reassessment. He emphasised on the importance of maintaining course file by all the faculty members for their respective papers. According to him, the course file is related with criterion I, II, III and VI and will meet many of the objectives of these criteria. He gave stress on adopting Add-on Course by all departments and MOOC Course should be encouraged among students. He also advised to upgrade net connections to 300 mbps.
