International Yoga Day

Today on 10th December, 2021, Friday, Dept of Political Science, Pragyash College organised International Human Rights Day in Room No- B-12 at 12 noon. Prof. Sabrina I. Sircar at the beginning briefed about the programme. Prof. Sircar highlighted the importance of observing International Human Rights Day. The Prof. speaks about the origin of Human Rights Day on 10th December under the initiative of United Nations Declaration of Human Rights. The Prof. also explained the theme of this year Human Rights Day "Reducing inequalities and advancing Human Rights". Prof. Anpita Das speaks about the need of awareness about the rights of people for establishing peace and equality in our society.

The students actively participated in the programme. Some students recited poem, and read articles related to Human Rights. Finally, in the first sem students performed a drama on Human Rights violations and legal procedure to establish and protect rights of the students.

Title of Activity/ Event: Celebration of National Science Day

Date (s): From: 28/02/2022 To: 28/02/2022

Timings: 10 AM onwards **Venue (s): Kaliram Barua Girl's High School, Bharalumukh**

Names of Chief Guest/Guest of Honour(s)/Speaker(s)/ Resource Person(s) with designations and affiliations:

Teachers and Students of Department of Chemistry

No. of Participants: Faculty members: 06 Students: 76 Others: 03 (teachers of KRB Girls High School)

Brief description of the activity/ event:

On the occasion of the National Science Day, the 5th-semester honours students of the Chemistry Department, Pragjyotish College, under the departmental forum "Dhatu", demonstrated different interesting and adventurous chemical experiments among the school students of Kaliram Barua Girls' High School, Bharalumukh.

Outcome of the activity/ event:

Students of the school were very excited and expressed their views towards taking up a scientific life. The college students also showed some experiments from their textbooks and explained the concept of acid-base, redox reactions, precipitation reactions, science in everyday life, etc. School students also got some hands-on training during the event.

National Science Day
