MESSAGE FROM THE PRINCIPAL

It is a matter of pleasure to extend my warm and heartfelt welcome to all the aspiring students who want to pursue their education across various programs offered by this premier higher educational institution in the Northeast region. Pragjyotish College started its journey with a humble initiative by a group of visionary leaders from the area to educate and generate learned citizens for the upliftment of the society. Since its inception, the college has made remarkable contributions in the higher education sector and today it is considered to be one of the most distinguished co-educational institutions in the entire Northeast region. It has got recognition as Post Graduate level institution from UGC having PG courses in seven departments. Ranging from higher secondary level courses to postgraduate studies along with professional studies like mass communication & journalism, tourism management and business management this institution is catering the demands of students from entire Northeastern states. For its quality higher education it has become the top choice for many students across the region. Students from across the north-eastern states of India, as well as neighbouring countries, have flourished here, excelling in both academics and extracurricular activities. Pragjyotish College fosters a liberal, vibrant, and competitive environment, enabling our learners to carve out a niche for themselves in their respective fields.

We believe in the all-round development of our students. Beyond academic pursuits, we place significant emphasis on a range of co-curricular activities, discipline, and character building. Pragjyotish College stands out with its full-fledged National Cadet Corps (NCC) Unit, featuring four wings: Army, Navy, Air, and the Girls' Wing. Additionally, our college offers platforms for social involvement through the National Service Scheme (NSS), Red Ribbon Club, Bharat Scouts and Guides, and the Youth Red Cross.

Pragjyotish College is dedicated to fostering both online and offline education of international standards. We have established Memorandums of Understanding (MoUs) with premier institutes across India and abroad. Our institute is a recognized NPTEL Local Chapter under the initiative of MHRD. This ensures our students to have access across top-tier online courses and resources.

Moreover, we provide skill-based and innovative entrepreneurial programs aimed at the upliftment of our students, equipping them with the knowledge and skills needed to succeed in today's competitive world. Our commitment to comprehensive education ensures that students not only excel academically but also develop the character and skills necessary for personal and professional success.

With these few words, I once again warmly welcome you to this esteemed institution and pray to the Almighty for your resounding success and excellence. I sincerely wish that, after your admission, you become actively involved in the vibrant life of the college and demonstrate exemplary excellence in academics. May you embed your name in the long and illustrious list of proud alumni of Pragjyotish College.

Dr. Manoj Kumar Mahanta,
Principal
Pragjyotish College

MESSAGE FROM THE PRESIDENT OF GOVERNING BODY

Pragjyotish College being a premier institute in the region is gearing up itself to start one more year of its journey of enrolling and imparting education to a fresh batch of YOUNG minds. Blessed with a serene campus the teaching and supporting staff of the college always tries the best to serve the academic and cocurricular needs of the young minds. The college has also equipped itself well enough to meet the challenges and opportunities inherent in the National Education Policy. The academic infrastructure of the college is adequate enough to attract students from not only the state of Assam but also from neighboring states. The management of the college always tries to adopt the best of the policies and constantly liase with the government and other agencies to upkeep the academic and administrative environment of the institution. The undersigned on behalf of the governing body of the college welcomes the student fraternity who aspire to be a part of the college community in the coming session and wish that their long-cherished goals in life are fulfilled in the days to come.

Prof. Dwipen Bezbaruah
President, Governing Body
Pragjyotish College

ABOUT THE COLLEGE

Pragjyotish College, established on 1st September 1954, is a premier institution of higher education in Northeast India. Recognized under UGC Sections 2(f) and 12(B) and affiliated with Gauhati University, the college has consistently upheld academic excellence and institutional quality. It is accredited with NAAC 'A' Grade, underscoring its strong academic standards, and is a beneficiary of the DBT Star College Programme, which significantly enhances its science education and research ecosystem. The institution is also aligned with the SDG Accord, reaffirming its commitment to sustainability, inclusivity, and responsible development.

With 28 departments including 7 postgraduate programme, the college serves over 3500 students under the guidance of 126 qualified faculty members, maintaining a healthy student-teacher ratio of 18.98:1. Academic programme follow FYUGP-NEP framework, emphasizing outcome-based learning, skill development, research, and innovation.

The campus offers modern infrastructure with smart classrooms, well-equipped laboratories, ICT facilities, and a Digital Central Library with extensive resources. A vibrant institutional ecosystem promotes research, entrepreneurship, Indian Knowledge Systems (IKS), and IPR awareness, supported by collaborations and outreach initiatives.

Holistic student development is ensured through NCC, NSS, cultural and extension activities, along with comprehensive support systems including counselling, scholarships, and a safe, inclusive environment. The college also provides excellent amenities such as sports facilities, health services, and eco-friendly initiatives.

Located in the heart of Guwahati with excellent connectivity, Pragjyotish College hosts a diverse student community from across Northeast India, other states, and neighboring countries.

Blending tradition with innovation, Pragjyotish College continues to nurture knowledge, values, and excellence for a brighter future.

THE EMBLEM AND MOTTO, VISION, MISSION

THE EMBLEM

The conch on the eight-petaloid full-bloomed graceful lotus symbolises pure knowledge. “तेजस्विनावधीतमस्तु” (Tejasvinavadhitamastu), the inspiring Motto of our college, speaks: May our study make us illumined. The aims, objectives and ideals of education are epitomised in this great saying of Taittiriya Upanishad (Ch. II Brahmananda Valli, Section 1, Invocation)

MOTTO

“तेजस्विनावधीतमस्तु”

Tejasvinavadhitamastu

(May our study make us illumined)

VISION

To Inspire Young Minds through Transformative Education and Innovation to Become Global Citizens with Competence, Character and Compassion

MISSION

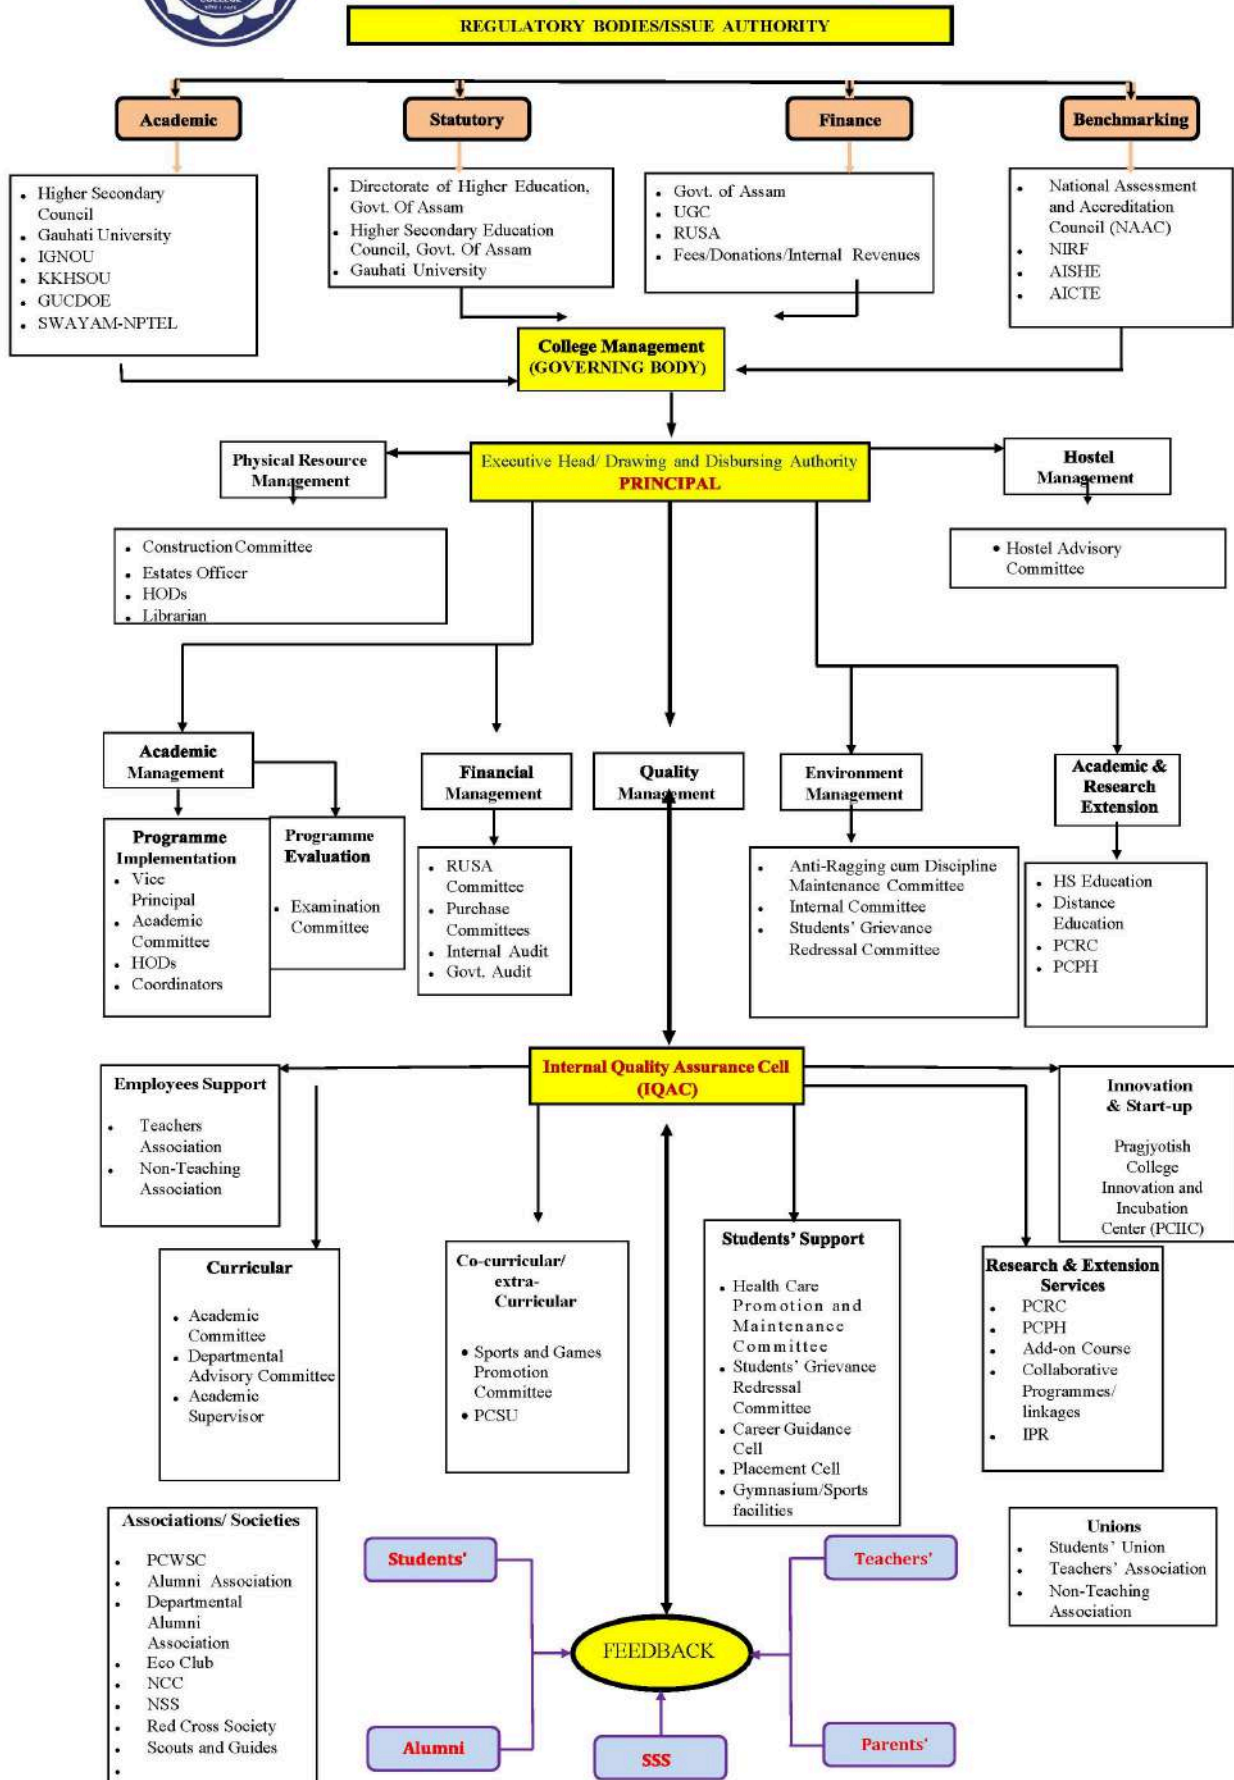

- To inspire and guide young minds toward their full potential by providing an education that nurtures curiosity, integrity, creativity, and social responsibility.
- To serve individuals across cultural, social and economic backgrounds without discrimination by promoting inclusivity through holistic and quality education, with the goal of building an equitable society.
- To empower individuals with education, skills, and entrepreneurial support for self-reliance and success in the global economy.
- To nurture a community where youth actively pursue spiritual growth, moral excellence, cultural pride and tolerance.
- To strive towards balanced achievement of the Sustainable Development Goals (SDGs) through economic growth, environmental sustainability, social inclusion and collaborative partnerships.
- To profess transparent, effective and compassionate governance in all our actions and decisions.

ORGANOGRAM OF THE COLLEGE

Organogram: Pragiyotish College

Governance, Quality Management & Linkage

ATTENDANCE RULES

All students on roll should attend at least 75% of the classes held in each subject to become eligible for appearing in the Council/ University examinations. Students not fulfilling the above requirement will not be allowed to appear in the final/ term- end examinations.

COLLEGE UNIFORM

Wearing of the college uniform is compulsory for all students for all purposes during their stay inside the college campus.

H.S. and U.G. Programs:

For Boys: Satin blue shirt decorated with the college emblem and blackish blue trousers, black shoes, white socks and blue blazer/sweater (V-shaped white stripe). Jean's trousers and shirts are not permitted. The design and style of the uniform must be formal.

For Girls: Satin blue kurta decorated with the college emblem and blackish blue churidar, and navy-blue dupatta and navy-blue sweater decorated with the college emblem. Jeans and leggings are not permitted. The design and style of the uniform must be formal.

P.G. Programs:

For Boys: Formal shirt of blackish blue thin stripes on off-white colour decorated with the college emblem and blackish blue trousers, black shoes, white socks and navy-blue blazer/sweater (V-shaped white stripe) decorated with the college emblem. The design and style of the uniform must be formal.

For Girls: Formal kurta of blackish blue thin stripes on off-white colour decorated with the college emblem and blackish blue churidar, and navy-blue dupatta and navy-blue sweater decorated with the college emblem. The design and style of the uniform must be formal.

T-shirts and jeans trousers (designed by any department) are not allowed in the classroom and on the college premises.

MAINTENANCE OF DISCIPLINE

The students must observe complete silence within the college premises. They must not loiter aimlessly within the college campus. Students must spend their spare time/off periods in such a way that will not cause any interference with the work of others. Use of cell phones for conversation is strictly prohibited inside the classrooms/ laboratories/verandahs/ building passages. Students can use the cell phones only in the designated areas like student common rooms, canteen, etc. Students found to violate this statutory instruction are liable to face disciplinary action including the seizure of the cell phones.

RAGGING

Ragging is a punishable offence under the Indian Penal Code (IPC). The Hon^{ble} Supreme Court of India has ordered all universities and their affiliated colleges under the University Grants Commission (U.G.C.) that if any incident of ragging comes to the notice of the authority, the students involved in ragging shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution (UGC letter No. F.1-8/2006 (CPP- II) February, 2008).RAGGING of newly admitted students is STRICTLY PROHIBITED and shall be dealt with a firm hand, under the existing penal provisions. If any incident of ragging comes to the notice of the college authority, the student (s) involved in ragging shall be given liberty to put forward his/ her explanation, which if not found satisfactory, the authority would expel him/ her from the college. Instances of violent incidents incurring grievous injuries and loss of life and property will be reported to the police.

STUDENTS' IDENTITY CARD

Every student is issued an identity card after admission. The card is non-transferrable and contains information about the holder, such as Name, Session, Class, Roll No., Combination of Subjects, etc. It also contains a passport sized photograph of the student, duly endorsed by the principal. It is mandatory for every student to carry the identity card with him/her so that it can be produced whenever necessary.

INTERNAL EXAMINATIONS

Students must appear in unit tests/sessional examinations, held for each subject of each class in all the streams, from time to time. Allowing a candidate for the Final/ Term-end examinations will be determined by the overall performance of the student in the unit tests/sessional examinations, class attendance, etc. Internal Assessments will be done taking into account the assignments, seminar presentations, performance in the unit tests/sessional examinations.

GOVERNING BODY

The Governing Body (GB) is the apex statutory policy making body of the institution which is well represented at all levels.

ADMISSION GENERAL INFORMATION

COLLEGE PROSPECTUS

Admission to all academic programme shall be governed strictly by the College Admission Rules, ensuring transparency and adherence to the order of merit. All decisions taken by the Admission Committee for the Academic Session 2026–27 regarding admission to various programme shall be final and binding.

ADMISSION PROCEDURE

Admissions to various programmes shall be conducted offline strictly on the basis of merit, as determined by the published merit lists. The admission schedule, including dates and related notifications, will be made available on the SAMARTH Portal and the official College website.

HIGHER SECONDARY (HS) CANDIDATES

- Application must be submitted through the DARPAN Portal.
- Merit lists will be published on DARPAN Portal and the College Website.
- Registered candidates must complete admission on the notified dates.
- Admission fees shall be accepted only through credit/debit cards.

UNDERGRADUATE (UG) CANDIDATES

- Application must be submitted through the SAMARTH Portal.
- Merit lists will be published on the SAMARTH Portal and College Website.
- Selected candidates must complete admission on the notified dates.
- Admission fees shall be accepted only through credit/debit cards.
- Candidates must produce all original documents for verification on the date of admission.

RESERVATION OF SEATS

Category	Reservation Percentage
Scheduled Caste (SC)	7%
Scheduled Tribe – Hills [ST(H)]	5%
Scheduled Tribe – Plains [ST(P)]	10%
Other Backward Classes / More Other Backward Classes (OBC/MOBC)	27%
Persons with Disabilities (PwD)	3%
Extra-Curricular Activities (ECA)	2%

Note: The reservation policy shall not be applicable to candidates who are domiciled outside the State of Assam.

RESERVATION UNDER EXTRA-CURRICULAR ACTIVITIES

Candidates seeking admission under this category are required to upload valid testimonials or certificates that clearly establish their participation and/or achievements in sports, games, cultural events, or similar co-curricular activities at a level not below the State level. Such documents must be issued by competent and recognized authorities, clearly indicating the candidate's name, event details, level of participation (State/National/International), and the year of achievement. Certificates of mere participation below the State level shall not be considered. The institution reserves the right to verify the authenticity of all submitted documents, and any discrepancy or submission of invalid certificates may lead to cancellation of candidature.

COMMENCEMENT OF CLASSES

Classes for the First Semester shall commence strictly in accordance with the guidelines and directives issued by the Government and the affiliating authorities from time to time. The class schedule/routine, academic calendar, and all related activities will be implemented as per the prevailing regulations and advisories to ensure compliance, safety, and effective academic functioning. Students are advised to remain updated through official notifications of the institution and concerned authorities regarding the commencement and conduct of classes.

STUDENT WELFARE: INSURANCE COVER

As part of our commitment to student welfare, all bona fide students of the college are covered under a Group Life Insurance Scheme. This coverage is automatically initiated at the time of admission, providing a reliable safety net for our students throughout their academic journey. The scheme ensures that every learner is protected, reflecting the college's dedication to the security and peace of mind of our entire student community.

ADDITIONAL INFORMATION

The College has applied for grant of autonomous status from the University Grants Commission (UGC). In the event that if autonomous status is conferred within the admission timeline for the academic session 2026-2027, all students admitted during this period shall automatically be governed by the academic regulations, curriculum, and guidelines applicable under the autonomous framework.

STEP-BY-STEP APPLICATION PROCESS FOR HS PROGRAMMES

For admission into Higher Secondary (HS) 1st Year / Class 11 in Arts, Science, and Commerce streams in Assam, students must apply through the official DARPAN Portal managed by the Assam State School Education Board (ASSEB).

Official Portal: <https://studentcorner.darpan.ahseconline.in/student-corner/new-child-registration/>

STEP 1: VISIT THE OFFICIAL DARPAN PORTAL

Open the official DARPAN Portal using the link above and click on New Registration to begin the admission process.

STEP 2: REGISTER A NEW ACCOUNT

Enter a valid mobile number, student name, basic personal details, and create login credentials or PIN. Complete the registration successfully.

STEP 3: FILL PERSONAL DETAILS

Provide full name, date of birth, gender, category (General/SC/ST/OBC/EWS), permanent address, parent or guardian details, and contact information.

STEP 4: FILL EDUCATIONAL DETAILS

Enter HSLC (Class 10) Roll Number, Board Name (SEBA/CBSE/ICSE/Other), Year of Passing, Marks Obtained, and School Name. Admission selection is mainly based on HSLC marks.

STEP 5: UPLOAD REQUIRED DOCUMENTS

Upload scanned copies of HSLC Marksheet, recent passport-size photograph, caste certificate (if applicable), income certificate (if applicable), disability certificate (if applicable), and gap certificate if required.

STEP 6: SELECT STREAM AND INSTITUTION

Choose your preferred stream (Arts / Science / Commerce) and preferred institution(s). Students can apply to multiple institutions as per portal guidelines.

STEP-BY-STEP APPLICATION PROCESS FOR HS PROGRAMMES

STEP 7: REVIEW AND FINAL SUBMISSION

Carefully verify personal details, academic details, uploaded documents, and institution preferences. Then click Final Submit and save or print the application form for future reference.

STEP 8: CHECK MERIT LIST

Institutions publish Selection Lists and Waiting Lists. Students can check their admission status through the DARPAN Portal.

STEP 9: ACCEPT ADMISSION OFFER

If selected, log in to the portal and accept admission from the selected institution within the given deadline.

STEP 10: FINAL ADMISSION CONFIRMATION

Visit the selected institution, if required, with original documents for verification, final confirmation, and fee-related formalities.

The screenshot shows the DARPAN Online Admission Portal interface. At the top, there is a navigation menu with the following items: Home, Information, Manuals & Steps, Enlisted Board List, Contact Us, LOGIN, and a prominent Students button. The main content area features a large banner with the text: **"DARPAN" Online Admission Portal** and **LIVE** Student Application Submission is now open. For Institutions to update their profile. Below the banner, there are two buttons: **Institution Profile** and **Student Admission**. The background of the banner is a photograph of a building with the Assam Higher Secondary Education Council logo and text in Assamese and English.

STEP-BY-STEP APPLICATION PROCESS FOR UG PROGRAMMES

For admission into Undergraduate (UG) programmes such as B.A., B.Sc., B.Com., BCA, BBA, and B.Sc. Computer Science in Assam, students must apply through the official Assam State Higher Education Admission Portal ([SAMARTH](https://assamadmission.samarth.ac.in)).

Official Portal: <https://assamadmission.samarth.ac.in/index.php/site/login>

STEP 1: VISIT THE OFFICIAL PORTAL

Open the Assam State Higher Education Admission Portal: assamadmission.samarth.ac.in and click on New Registration.

STEP 2: STUDENT REGISTRATION

Enter your Name (as per Class X marksheet), Mobile Number, Email ID, Date of Birth, Aadhaar details (if required), and Class X Roll Number/Registration details. Create your login credentials and complete registration.

STEP 3: LOGIN TO YOUR ACCOUNT

Use your Registration ID and Password to log in to the student dashboard.

STEP 4: FILL PERSONAL DETAILS

Enter Permanent Address, Category (General/SC/ST/OBC/EWS), Gender, Nationality, Domicile details, and Bank details if required for fee waiver.

STEP 5: FILL ACADEMIC DETAILS

Provide HS (10+2) examination details, Board name, Year of Passing, Marks obtained, and Subject combination. Ensure subject eligibility matches your chosen programme.

STEP 6: UPLOAD REQUIRED DOCUMENTS

Upload scanned copies of HS Marksheet, HS Admit Card, Class X Marksheet, Passport-size Photo, Signature, Caste Certificate (if applicable), Income Certificate (if applicable), and Domicile Certificate (if required).

STEP 7: SELECT COLLEGE AND PROGRAMME

Choose your preferred colleges and UG programmes such as B.A., B.Sc., B.Com., BCA, BBA, and B.Sc. Computer Science. Multiple colleges and courses can be selected.

STEP-BY-STEP APPLICATION PROCESS FOR UG PROGRAMMES

STEP 8: REVIEW AND FINAL SUBMISSION

Carefully verify all details including personal information, academic records, uploaded documents, and programme preferences before clicking Final Submit.

STEP 9: DOWNLOAD ACKNOWLEDGEMENT

Download and save the Application Form, Acknowledgement Slip, and Registration Number for future reference.

STEP 10: CHECK MERIT LIST

Colleges publish merit lists through the portal. Selected students must confirm admission within the given deadline.

STEP 11: FINAL ADMISSION IN COLLEGE

Visit the allotted college with original documents for verification, fee payment, and final admission confirmation.

 Assam State Higher Education Admission Portal
ADMISSION SESSION 2026-2027

Admission Session 2026-2027

Assam State Higher Education Admission Portal

The Assam State Higher Education Admission Portal - 2026 is being introduced for admission into all UG Programmes in Assam State Universities for academic session 2026-27 under the Department of Higher Education Assam.

This portal provides a **common platform** and **equal opportunities** to candidates across the state, especially those from rural and remote areas. It ensures better connectivity with universities and simplifies the admission process through a unified system.

CO-CURRICULAR AND EXTRA CURRICULAR PROVISIONS

In addition to the prescribed courses of study, the college encourages and motivates the students to organize and actively participate in various co-curricular activities such as games and sports, drama, fine-arts, literary and cultural activities, debating, symposium, and so on from time to time.

BRIDGE COURSES/ ORIENTATION PROGRAMS: At the beginning of new academic session, several departments organize introductory sessions in the form of bridge courses for the newly admitted students, not only for giving them a broad overview of the institution, but also to help them understand the curriculum and broad perspectives of the subject they will be required to study in the next few semesters. The PTNS Library of the college organizes library orientation programs for making the newly admitted students acquainted with the library facilities, provisions and other rules/ regulations

COMMUNITY DEVELOPMENT CELL:

The CDC is committed towards carrying out various community development works under the framework of an institutional Community Development Policy, which are executed with active student-teacher participation, along with NCC/NSS cadets.

CULTURAL ACTIVITIES:

Various cultural activities are held inside the college campus at different times of the year. Cultural programs are organized in every department on the occasion of departmental freshman social and farewell functions, while a wide spectrum of other such programs is held during the annual College Freshman Social event and the Annual College Week. Activities like folk dance, modern dance, one act plays, street plays, group songs, solo songs etc. are performed in the college campus on various occasions like Annual College Week Festival, Foundation Day, etc. Faculty members of the Performing Arts Department coordinate most of the cultural activities, with logistic support of the PCSU secretary in-charge of cultural affairs.

EDUCATIONAL EXCURSIONS, FIELD WORKS AND INSTITUTIONAL VISITS:

Several departments organize these programs and activities for the students. For some subjects, these activities form part of the co-curricular activities. Faculty members from respective departments accompany the student groups during such programs.

EXTENSION AND OUTREACH ACTIVITIES:

In order to develop social aptitude of the students, various extension education programs are organized from time to time in the fringe areas of the institution. These activities are primarily facilitated, coordinated and monitored by the Extension Education Advisory Committee.

HOME ASSIGNMENTS AND STUDENT SEMINARS:

Students of several departments are required to submit home assignments and participate in student seminars on topics that are allotted from the syllabus of the concerned semester in which a student is studying.

CO-CURRICULAR AND EXTRA CURRICULAR PROVISIONS

GAMES AND SPORTS:

The college provide facilities for games like volleyball, badminton, table tennis, carom, chess, etc. There are separate PCSU office bearers for general sports, minor sports, cricket and gymnasium. The indoor games are mostly held within the college campus while some of the outdoor games like kabaddi, football, cricket etc. are played in the Sonaram H.S. School playground. A MoU has been executed with Sonaram Higher Secondary School in this regard. A well-equipped Sports Library has been recently set up, for stock piling various sports equipment. A basket-ball court of size 27.7 metres x 12.70 metres has been developed inside the college campus. A wide range of games and sport events are held during the Annual College Week, under active coordination of PCSU. Students also participate in various other similar events organized by external agencies outside the college campus from time to time. Students are encouraged to participate in collegiate, inter-collegiate, inter-zonal, inter-university, state, national and international level competitions.

HEALTH CARE ACTIVITIES:

The college provide amenities for health well-being of the students and staff. A gymnasium hub with modern infrastructural provisions was set up in 2016 under RUSA grants. It caters to the physical well-being issues where membership is also provided to the residents of fringe localities at competitive fees. A dedicated ANM nurse is appointed for the day care centre.

The Gymnasium Hub is under the supervision of a Gymnasium Instructor, who is in charge of collection of member subscription amounts as well as providing workouts instructions to all users. Provision has also been made for yoga classes by experienced instructors, at reasonable fees. Provision for availing martial arts training in the evening hours also exists for the interested students.

LANGUAGE LABORATORY:

One of the latest additions is the Language Laboratory which has come into existence in 2017 to meet the growing demands of students who are keen to develop their speaking skills, soft skills and personality. Set up on the second floor of the C-Block, the language laboratory includes a hall and a studio-cum-observation room. The air-conditioned laboratory is equipped with 15 multi-media computer sets (provided by RUSA) with headphones. Six language departments viz. Assamese, Bengali, Bodo, English, Hindi and Sanskrit share this laboratory. Each department is free to design and conduct crash courses for improving the language skills, particularly the speaking skills of the students. Moreover, the language departments have plans to jointly conduct some programs and workshops on translation studies.

LITERARY ACTIVITIES AND PUBLICATIONS:

The annual college magazine PRAGJYOTISHIYA is the springboard for shaping the literary and other creative interests of the students and teachers alike. Articles, creative write-ups, reviews as well as achievements of educational, cultural, social and sports activities of students and teachers of the college are published in this annual mouth-piece. The magazine is edited by a student editor under the guidance and supervision of an Editorial Board. Over and above, several departments publish departmental newsletters on a periodical basis. Every department has their own departmental wall magazines. Almost all departments have individual wall-magazines which serve to portray the literary and creative interests of the students. Several departments publish departmental newsletters on a periodical basis, which also provides ample opportunity to the departmental students to publish their write-ups.

CO-CURRICULAR AND EXTRA CURRICULAR PROVISIONS

NATIONAL CADET CORPS (NCC): <https://pragjyotishcollege.ac.in/ncc/home>

The NCC unit of the college is full-fledged, with four different wings viz. Army, Navy, Air and Girls". Regular training is imparted to the students throughout the year under trained Associate NCC Officers. The cadets participate in various activities and events throughout the year.

Associate NCC Officer (A.N.O)/ Care Taking Officer (C.T.O)	Designation & NCC Wing
Lieutenant (Dr.) Bidyut Bikash Baishya	Associate NCC Officer, 48 Assam Naval Unit NCC Pragjyotish College
Lieutenant Rewata Chowhai	Associate NCC Officer, 1 Assam Bn NCC Pragjyotish College
Flying Officer (Dr.) Pallabi Dutta	Associate NCC Officer, 50 Assam Air SQN (FLG) NCC Pragjyotish College
Lieutenant (Dr.) Gangotri Bhuyan	Associate NCC Officer, 60 ASSAM GIRLS BN NCC Pragjyotish College
Sub-Lieutenant Pankhi Senapati	Associate naval Officer 48 Assam Naval Unit NCC Pragjyotish College

NATIONAL SERVICE SCHEME (NSS):

The NSS was introduced in the college in 1978 with financial aid from Govt. of India. Under this scheme, students render social service in backward rural areas and also undertake adult education programs. NSS volunteers of the college get the opportunities to participate in various social programs, both at the national and international levels.

Programme Officer: **Dr. Tutumoni Das**

Assistant Professor, Department of Assamese

RED RIBBON CLUB (RRC):

The RRC was introduced in the college in 2009 with financial aid from the AIDS Control Society, Govt. of Assam. It is a platform where skill and knowledge building sessions are conducted for the youth population.

Coordinator: **Dr. Jayanta Deka**

Associate Professor, Department of Zoology

SKILL DEVELOPMENT CELL:

This cell was constituted with multiple objectives, viz. enhancement of employability of the students, to provide skill-based training, providing community extension services, etc.

Coordinator: **Dr. Ira Das**

Associate Professor, Department of Economics

YOUTH RED CROSS (YRC):

The Pragjyotish College unit of YRC has been formed in 2019. The objective of the society is to provide relief in times of disasters/ emergencies and also to promote health and care of the vulnerable people and communities.

CO-CURRICULAR AND EXTRA CURRICULAR PROVISIONS

DIGITAL LEARNING AND SWAYAM-NPTEL COURSES (IIT MADRAS)

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. Pragjyotish College is an approved and designated local chapter for NPTEL courses (MOOCs). Students and faculty members get the opportunity to opt for numerous MOOCs under Swayam platform through Pragjyotish College Local Chapter.

SPOC: Dr. Amit Kumar Pradhan

Assistant Professor, Department of Botany

<https://pragjyotishcollege.ac.in/npTEL#gsc.tab=0>

PRAGJYOTISH COLLEGE STUDENTS' UNION (PCSU):

The PCSU is the general body of the students of the college. Its membership is compulsory for every admitted student of the college. The PCSU has its own distinct Constitution. The office bearers are elected annually through the method of direct voting. Faculty members are nominated for every PCSU office bearer for coordinating and monitoring the allotted activities. To ensure the welfare of the students and to inculcate a culture of democracy on campus, the PCSU works for different varieties of student-centric activities. The PCSU endeavors to foster and promote fraternity, mutual understanding and sense of responsibility among the students through a host of activities. It organizes games and sports, debates, cultural and social activities among the students. The General Freshman Social and Annual College Week of the college is held under the direct coordination of PCSU.

https://pragjyotishcollege.ac.in/students/students_union

STUDENTS' WELFARE FUND:

The College maintains a Student Welfare Fund to provide financial assistance to economically disadvantaged and deserving students. Eligible students may apply to the Principal in the prescribed manner. Assistance shall be granted on the basis of merit and need, subject to the availability of funds.

DAY CARE CENTRE CUM REST ROOM FOR DIFFERENTLY-ABLED:

Inaugurated in 2012, the Day Care Centre has been providing basic amenities to working mothers, especially lady teachers and women employees of the college, for taking care of their infants and minor children during working hours.

EXAMINATION SICK ROOM:

This particular facility is meant for providing a comfortable ambience for those students who are physically unwell at the time of appearing for the theory papers in different academic examinations. Students are allowed to sit inside this room and appear for the examination under supervision of designated supervisors.

FIRST-AID CENTRE:

This centre is under direct supervision of the Health Care Promotion and Maintenance Committee. It provides basic infrastructure for any individual who suddenly falls ill or meets with accidents while within the campus. It serves as a temporary measure to provide first-aid facilities until expert medical supervision is arranged, if required for the affected individual.

LIBRARY FACILITY

Pandit Tirthanath Sarma (PTNS) Library (<https://pragjyotishcollege.ac.in/facility/library>)

Established in 1954 by Pandit Tirthanath Sarma, the founder Principal, the college library has grown from a modest collection of 150 books to a well-equipped knowledge hub with over 61,500 books. Named in his honour in 1995, the library is particularly rich in Assamese and Sanskrit literature and continues to play a vital role in supporting teaching, learning, and research.

The library is automated with RFID technology, integrated with INFLIBNET (N-LIST), and provides access to a wide range of e-journals and digital resources. The facility is partially powered by solar energy, reflecting the institution's commitment to sustainability.

Key Features & Services

- Wi-Fi enabled library with E-corner (10 computers)
- Online Public Access Catalogue (OPAC)
- Self-service kiosks for book issue/return
- Reprographic services and digital display systems
- Reading room with seating capacity of 72 students
- CCTV surveillance and user orientation programmes

Library Resources

- Books: 61,515
- Journals: 16
- Magazines: 5
- Newspapers: 5 (regional & national)
- Access to e-resources via N-LIST, NDL, DOAJ, etc.

Special Facilities

- Book Bank for economically disadvantaged students
- United Nations Corner with publications of UNESCO, WHO, etc.
- Dedicated reference sections including North-East India and PTNS collections

Membership & Timings

- Membership is available to all students, faculty, and staff.
- Smart library cards are mandatory for access and services.

Library Hours: 9:30 AM – 4:00 PM (All working days)

PROFILE

Since its inception the progression of the department is always high. Teachers are always supportive and follow a strong mentor-mentee system. Apart from study the department encourages students to take part in cultural and other skilled activities. The department runs a Little Magazine Study & Research Centre from where students can get help to nurture creative writing skill. They are encouraged to use ICT to enrich themselves.

A website (www.nelittlemagazine.com) has also been hoisted to preserve the contributions published in different little magazines by the Bengali writers of the North East. It has already been acclaimed by academia of India. As a student-centric measure, honors students are provided with computer learning facilities, especially Bengali Software (typing, editing and formatting) and course related to internet browsing. Tutorial classes are taken for doubt clearing. Departmental Guardian Forum WhatsApp group, alumni (Pourbik) whatsapp group and Students WhatsApp groups are active. Students get encouragement to involve with different academic and cultural activities. They are also encouraged to join different online courses organized by NPTEL through local chapter. Departmental seminar, workshops are organised frequently for the benefit of students.

PROFILE

The Department of English was established in 1954 and the major subject was introduced in 1958. The Department, since its inception has been instrumental in imparting the knowledge of English language to the students. At present, the Department has four sanctioned faculties, two regular management-sanctioned faculties. Every year the Department accommodates more than fifty major students, where every care is taken to nurture and enhance their capability of understanding English language and literature. The Department on its part tries to make the students aware of the various facets of literature written in English. In order to draw the interest of the students, class assignments are given and the students are also encouraged to approach the teachers if they face issues concerning their studies.

The Department along with the academic activities also conducts Movie classes in accordance with the syllabus to enhance the students' overall knowledge of literature. Every year the department observes 'World Poetry Day' by inviting Speakers to deliberate lectures and a Poetry-writing competition is conducted among the students, winning poems are published in the departmental E-magazine "LITERATIA". Besides these, the department also conducts short-story writing competitions annually. The students actively contribute in the making of the departmental wall-magazine "PAPER CASTLE" every year.

PROGRAMMES OFFERED & INTAKE CAPACITY

2. FYUGP : 55

CERTIFICATE COURSES

- Certificate Course on Spoken English

FACULTY

MS SHYAMOLIM GAURATRA

Guest faculty
M.A, M.Ed,
Spcl. American Literature..
Teaching Experience: 15 yrs

MS KABITA MEDHI

Guest faculty
M.Phil,
Spcl. American Literature
Teaching Experience: 16yrs

FACILITIES AVAILABLE

The department has its own library with adequate number of books and references, two multi-media computer sets with Wi-Fi connectivity, and two overhead projectors. The Language Laboratory is attached to the department where ICT classes are held for the students. There are 1 classroom for the Major/Honours classes, a library-cum-tutorial room in the department. Library is with more than 300 books and Journals.

ACHIEVEMENTS

Over the years, after passing out, our students have achieved milestones in their career front. Many of them got admissions in reputed universities like Delhi University, Gauhati university, and various Central Universities across the country. Many of the students are also working as lecturers in educational institutions, as journalists in media houses. Few of them have also been successful to secure jobs outside India. It is a matter of pride that one of our students Pritam Patowary (Batch 2019-2022) has directed three to four movies and documentaries and has also won many awards. One of his movies had been shortlisted for the final round of WOWMOSCOW International Competition for short videos about cities organized by the Moscow City Tourism Committee and the HSE Art and Design School, Russia. Moreover, one of our faculty member Dr. Abhijit Kr. Dutta has successfully completed a project work on 'Promotion of rural community tourism products and alternative livelihood of Thuruk village in Dima Hasao District of Assam', and another project is also going on.

CAREER PROSPECTS

Opting for English as a major subject opens doors to many diverse career prospects. Students can go for Masters in reputed universities which provides them a way forward to their career. English Language Teaching (ELT) is also a highly sought after option for the students in today's generation. Moreover, students can also get opportunities in various Publishing houses and even Media houses and also Journalism. They can also go for various competitive exams. Besides these, they can always prepare themselves for NET or SLET in English Literature or ELT.

PROFILE

Established in 1954, the Department of History was founded by Dr. Lakshmi Devi, with Late Kokil Bezbaruah appointed as the first teacher to a sanctioned post in 1956. The department received affiliation for both Major and General courses in 1989.

The department is equipped with a library, a museum and modern teaching aids, including maps, globes, an LCD projector and computer systems with Wi-Fi connectivity.

Academic activities such as seminars, group discussions, field trips, and expert lectures are regularly organized to enhance student learning. Students actively contribute to the departmental wall magazine and an annual Freshers' Social fosters cultural integrity. Notably, the department has been organizing Prof. H. K. Barpujari Memorial Lecture since 2024 annually.

The department attracts a significant number of students from the northeastern region, as reflected in its enrollment trends. Academic performance has remained consistently strong, with several students achieving first-class results in university examinations. Alumni have successfully established careers across diverse professional fields.

PROGRAMMES OFFERED & INTAKE CAPACITY

1. HS
2. FYUGP : 50

CERTIFICATE COURSES

Certificate course on "Religion and Art of Early Assam"

FACILITIES AVAILABLE

- One departmental library
- One departmental Museum
- Visual aids like maps, globes, LCD Projector etc. are available.
- Computer sets with Wi-Fi internet facilities.

HISTORY

ACHIEVEMENTS

- Sweety Gayari, former student of History Department Crowned as Miss Universe Assam 2nd runners up, 2026 and she will be representing Assam in the upcoming Miss Universe India
- Progression to Higher Education: 08
- Two Faculty members of History Department Dr. Nandini Sarma and Dr. Gargee Sharmah presented papers in International Conference held at Hanoi, Vietnam from 06/01/2026 to 07/01/2026

CAREER PROSPECTS

A degree in History offers diverse career prospects beyond teaching. Graduates can work in research, archaeology, museums, archives, and cultural heritage management. It also builds strong analytical, writing, and critical thinking skills valued in fields like journalism, law, civil services, and public administration. History students can pursue careers in tourism, publishing and academia or prepare for competitive exams. With additional specialization, opportunities exist in international relations, policy analysis, and content development. Overall, History provides a flexible foundation for both traditional and emerging career paths.

PROFILE

The Department of Philosophy was established in 1954, the same year the U.G. course was introduced. The Honours course began in 1971, H.S. in 1984, and CBCS in 2019.

Every year, the department organizes a popular talk by a renowned resource person and a quiz competition on World Philosophy Day. We publish the annual departmental journal Dristi and the student wall magazine VISION. Regular student seminars, interaction programmes, and competitions like extempore speech and debate are held to develop communication skills. Field trips are organized annually to places of philosophical, cultural, and historical significance to give students practical exposure beyond the classroom. Alumni meets are held every year to strengthen the department's network and provide career guidance from former students. Students maintaining excellent attendance are felicitated with awards to encourage regularity and discipline. The student mentoring program is conducted periodically, where faculty guide small groups of students on academic progress, career planning, and personal development. The department signed a five-year MoU with Arya Vidyapeeth College in to promote academic collaboration through student exchange, faculty exchange, joint seminars, and resource sharing.

PROGRAMMES OFFERED & INTAKE CAPACITY

1. HS
2. FYUGP : 50

CERTIFICATE COURSES

- Certificate course on "Personality Development"
- Certificate course on "Yoga and Mental Well-being"

FACILITIES AVAILABLE

- An ICT-enabled classroom
- Computers with Wi-Fi for academic use
- A departmental library stocked with textbooks and reference books for higher secondary and undergraduate students

PHILOSOPHY

- Tutorial classes
- Mentoring and counselling
- Regular Parent-Teacher Meetings to discuss student progress
- Teachers remain available on WhatsApp beyond class hours to address academic queries when needed.

ACHIEVEMENTS

The department maintains consistent academic performance

- 50% placements
- 70% progression to higher education

CAREER PROSPECTS

The students of Philosophy develop foundational knowledge in IKS, critical thinking, argumentation and analytical skills valued across fields. Careers include: academia/research as lecturer or professor, law, civil services, journalism, policy analysis, ethics consulting, publishing, HR, and tech roles in AI ethics. Philosophy also strengthens UPSC/competitive exam preparation. While not directly vocational, it builds transferable skills for diverse sectors, with higher studies like MA/Ph.D or LLB expanding opportunities.

PROFILE

Sanskrit is the storehouse of varied literature preserving glorious socio-cultural aspects of Indian heritage. Therefore it has been attracting the mindset of people at large from the inception of world civilization. Notwithstanding such constraint, the department of Sanskrit, Pragjyotish College has been extending its sincere effort for the interest of the Sanskritic studies especially in the Northeastern part of the country. It marks its foremost extant in this institution since 1954. Then onwards it has been striving constantly for the overall upliftment of the department and institution as a whole. The department of Sanskrit was adorned by some of the distinguished professors like Pandit Tirthanath Sarma, the founder principal of the college and founder HoD of the Department of Sanskrit and Sahitya Academy Awardee; Sjt. Tankeswar Phukan, Sjt. Syama Kanta Jha, Prof. (Dr.) Nalini Ranjan Sarma, retired HoD, Department of Sanskrit, Gauhati University; Sjt. Visweswar Deka, and Dr. Indira Saikia Bora. The department also served by renowned Sanskritist, viz., famous Indologist Mahamahopadhyaya Dr. Biswanarayan Shastri, Sahitya Academy Awardee and former M.P., Lok Sabha, Dr. Devi Das Bhattacharya, Sjt. Rajendra Chandra Mahanta, Prof. (Dr.) Apurba Chandra Borthakuria, former HoD, Department of Sanskrit, Gauhati University; Prof. (Dr.) Mukta Biswas, former HoD, Department of Sanskrit, Gauhati University; Dr. Jagadish Sarma and so on. Several students passed from this department and hold higher positions in Universities, Colleges and other institutions. The department has been striving for imparting quality education in addition to organizing various academic programmes, including Spoken Sanskrit Camp, Educational Talks, Sanskrit Language teaching Certificate course, quiz competition etc. World Sanskrit Day is also observed every year in the full Moon Day of Holy month of Sravana.

PROGRAMMES OFFERED & INTAKE CAPACITY

1. HS
2. FYUGP : 20

SANSKRIT

CERTIFICATE COURSES

- Certificate course on “Sanskrit language” form Central Sanskrit University.
- Diploma course on “Sanskrit language” form Central Sanskrit University.

FACILITIES AVAILABLE

- Departmental Library
- Computers with Wi-Fi for academic use

ACHIEVEMENTS

- Students of this departments have been pursuing Higher Education and students have been succesful to achieve University rank.

CAREER PROSPECTS

Sanskrit is a gentle and rewarding field for those who value heritage and wisdom. Beyond being a scholar or teacher, you can find a peaceful career path as a manuscript conservator or a translator, helping preserve ancient texts for future generations. Many find fulfillment in the wellness industry, where Sanskrit knowledge deepens the practice of Yoga and Ayurveda. It also offers a creative outlet in cultural journalism and storytelling. If you enjoy precision, working in linguistic research allows you to explore the language's unique structure. It is a field that rewards patience and a deep love for classical learning.

PROFILE

The department of Anthropology was established in 1993 with the Higher Secondary level. Since then the department has played a significant role in nurturing students' interests, particularly in understanding human diversity, culture and evolution. During the academic session 1997-98 Anthropology was introduced as a subject in the TDC General Course. With the growing interest and increasing academic demand, the department introduced major course in 2003. This advancement enables students to pursue in-depth studies in Anthropology, covering various branches - socio-cultural, Physical anthropology and Archaeological anthropology.

Each year, in-depth demographic surveys of rural communities are conducted, providing students with hands-on experience and insights into rural lifestyles under the expert guidance of our faculty. Museum visits further enhance the curriculum, while talks and workshops organised with distinguished speakers offer valuable perspectives for our students. Students actively contribute to the department's intellectual life. They produce the insightful wall-magazine Antarikshya and lead the publication of the annual newsletter Unigration. Class seminars offer a platform for students to present their research, further developing their academic skills. A strong Alumni Association established in 2019-20, nurtures ongoing connections.

PROGRAMMES OFFERED & INTAKE CAPACITY

- HS
- FYUGP (Arts) : 35
- FYUGP (Science) : 15

CERTIFICATE COURSES

- Certificate course on "Production of Phaku (colour powder used in Spring festivals) by using floral wastes collected from temples"
- Certificate course on "Production of Dhoopkathi (incense sticks) from temple wastes"

FACILITIES AVAILABLE

- Departmental library with a modest collection of books, journals, and bulletins.
- One ICT classroom.

Ranks (top-10) holders in the undergraduate level under Gauhati University

- 2019: Nandini Deka (BA 1st), Darshana Das (BSc 2nd), Grace Rosangpui Khowbang (BSc 3rd)
- 2020: Prerana Das (BA 1st), Priyanka Rajbongshi (BA 2nd)
- 2022: Khushboo Firdous (BA 2nd)
- 2023: Daisy Sandilya (BA 1st), Dikshita Baishya (BA 3rd)
- 2024: Pragyan Deep Roy Sarmah (BSc 2nd)
- 2025: Mayuri Rajbongshi (BA 3rd), Jenifa Sultana (BA 8th) Shreyashi Sandilya (BA 9th), TH. Aniket Singha (BSc 1st), Joynab Begum (BSc 2nd), Simrin Zamal (BSc 3rd), Kabita Chetri (BSc 4th), Krishna Moni Barman (BSc 6th), Elisiva Hembrom (BSc 7th), Sandip Saha (BSc 8th), Jyotirmoy Das (BSc 9th), Wasim Raja (BSc 10th).

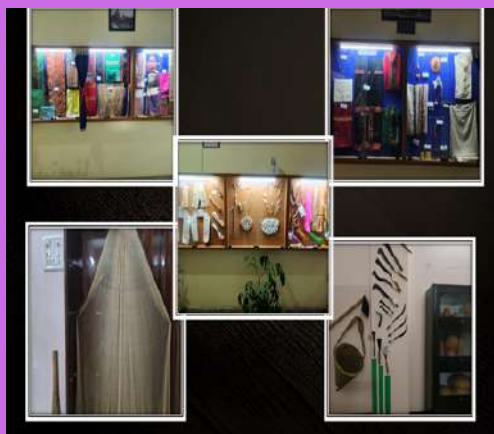

- A laboratory with equipment such as original tools of the Prehistoric period; models and original human bones for anatomical study, Dermatoglyphic equipments, Serological equipments and different instruments for anthropometric measurements.
- A museum with material culture collection such as different types of clothes woven and used by different tribes and communities of India, basketry, fishing and hunting implements, brass and bell metal utensils.

ACHIEVEMENTS

- Outstanding academic results of our students in both Higher Secondary and degree examinations.
- Dr. Mayuri Borkatakya was conferred with the Excellent Paper award under the category Best Presentation/Best Content at the international seminar held in Vietnam by South Asian Research Centre in 2026.

CAREER PROSPECTS

Career prospects in Anthropology are diverse and expanding in the modern world focusing on human behaviour, culture, and evolution. Graduates can work in academia as teachers and researchers in universities and institutions like Anthropological Survey of India, or in sectors like tribal welfare, rural development, sports, industries, civil service and public policy. They can work as teacher of community medicine in medical colleges. Opportunities exist as development consultants in NGOs, community development programmes, social work, and human rights advocacy also in international organisations such as UNESCO, and healthcare as medical anthropologists. Other fields include archaeology, forensic science and bioarchaeology to analyze human remains for legal investigations, museum curators, corporate sectors (HR, market research), and cultural resource management. The role of anthropologist with regard to customary law in law research institutes is also worth mentioning. With growing relevance in development, environment, and technology, anthropology offers applied career paths globally.

PROFILE

The Department of Botany at Pragjyotish College is a premier center for plant science education, offering the Higher Secondary (Science) program and the Four-Year Undergraduate Programme (FYUGP) aligned with NEP 2020. Our curriculum balances fundamental academic rigor with research-oriented and skill-based learning. Students explore the diverse world of plants—from microbes to complex flowering species—covering morphology, physiology, taxonomy, and ecological adaptations.

Recognized under the DBT STAR College Programme, the department boasts sophisticated infrastructure, including specialized laboratories for Tissue Culture and Bioinformatics. Learning is further enriched by our departmental Herbarium, Botanical Garden, and frequent field excursions that provide essential hands-on experience. Beyond the core syllabus, we offer skill-oriented certificate courses designed to enhance practical competence and employability.

Supported by a faculty active in scientific research, the department fosters an environment of innovation and inquiry. We are committed to preparing students for academic excellence in higher studies, success in competitive examinations, and diverse career opportunities in the evolving field of plant sciences.

PROGRAMMES OFFERED & INTAKE CAPACITY

PROFILE

Established in 1960, the Department of Chemistry has a remarkable contribution in academic distinction and high-quality instruction at both the Higher Secondary (HS) and Undergraduate levels. In 2023, the department implemented the FYUGP (NEP), providing a flexible and contemporary curriculum aligned with current educational standards. The department has well-equipped laboratories, a departmental library boasting more than 500 volumes, ICT-enabled classrooms, and sophisticated instruments like a double beam UV-Visible spectrophotometer to aid practical education and project activities.

The department promotes a lively academic atmosphere via seminars, student presentations, outreach activities, and publications like the wall magazine "ψ (Psi)" and the yearly newsletter "Boson." Students are encouraged to engage in institutional tours, research collaborations, and hands-on learning activities. As part of digital learning initiatives, educational videos on laboratory instruments and experiments have been created and made available on the college website. Faculty members are engaged in research work and publishing research papers in high impact journals.

The department has a notable record of student success, with numerous alumni attaining top results and advancing to higher education at premier institutions.

PROGRAMMES OFFERED & INTAKE CAPACITY

- Alumni completed MSc from IIT Madras, NIT-Meghalaya, NIT-Sikkim, Sikkim University, Tezpur University, Bangalore University, BHU, Gujarat University, Cotton University, Gauhati University, etc.
- Students also visit nationally renowned institutes through summer research fellowships, NIUS scholarship
- Many students also participated and awarded in various intra- and inter-college competitions like quiz, power-point presentation, extempore speech etc.
- Students participated and awarded in research paper presentation competition organized by Chemistry Teachers Association, India.
- Research papers are published in SCI journals by faculty members.

CAREER PROSPECTS

A Bachelor of Science (B.Sc.) in Chemistry provides a wide range of fulfilling employment options in the academic, industrial, and scientific domains. Graduates with chemistry major can pursue higher studies such as M.Sc. or Ph.D. in different areas like organic, inorganic, physical chemistry, analytical, pharmaceutical, forensic science, material science, food technology, and leading to careers in research and development in reputed organizations like IIT, IISER, IISc, CSIR and DRDO. Career opportunities are also available in pharmaceutical companies, chemical, petrochemical, food processing companies, and environmental sectors, including agencies like Food Safety and Standards Authority of India (FSSAI) and Central Pollution Control Board etc. Opportunities also exist in teaching and academia after appropriate qualifications recognized by UGC. Additionally, graduates can also pursue careers in forensic science, biotechnology, nanotechnology and government services.

PROFILE

The department established in 2003, has completed seventeen years of glorious existence. The department has one Air-Conditioned Computer lab facility. The computer systems run on wide variety of operating systems, including Linux, Windows, etc. The labs are equipped with up-to-date DBMS packages, Tally Accounting Package, Multimedia, Web Servers & Browsers, Assembly Language Programming Kit for Intel-8085 Microprocessors, Interpreter, Compilers and Programming environments.

PROGRAMMES OFFERED & INTAKE CAPACITY

- HS
- FYUGP : 50

CERTIFICATE COURSES

- Advanced Certificate Course on "Publishing and Multimedia". Eligibility Criteria : H.S. (Science/Arts /Commerce) Passed
- Add-On Course on: "Introduction to Data Science with Python" Eligibility Criteria : BSc CSc (Major) / BCA

FACILITIES AVAILABLE

- Air-Conditioned Computer Laboratory.
- ICT Classroom.
- Assembly Language Programming Kit for Intel-8085 Microprocessors.

COMPUTER SCIENCE

Name : Miss. REHANA BEGUM

Assistant Professor

Ainul Matin Choudhury
Assistant Professor

Current Major/Honours Students, CSC Dept., April, 2025

Sem-2 CSC (Major)

Sem-4 CSC (Major)

Sem-6 CSC (Honours)

ACHIEVEMENTS

- Mr. Pervez Hussain [GU, BSc (Honours) Topper Rank-1 in 2023]
- Miss. Rehana Begum [GU, BSc (Major) Topper : Rank-1 in 2025]
- Many of the passed-out students are engaged in various reputed institutions, Govt./Semi-Govt./Private organizations and offices.

CAREER PROSPECTS

BSc CSc (Major) Graduates enjoy strong career prospects in Software development, Data science, Cyber-Security, and AI, with IT sector jobs expected to grow 11% by 2033. Graduates can pursue various technical roles, often hired by software, IT services, and product-based firms:

Top Career Roles include the following :

- Software Developer/Engineer : Coding, testing, and developing applications.
- Data Analyst/Scientist : Analyzing data trends to help businesses make decisions.
- Web Developer/Designer : Creating and maintaining websites.
- Systems Administrator/Network Engineer : Managing IT infrastructure.
- Cyber-Security Analyst : Protecting systems and data from attacks.
- Mobile App Developer : Developing iOS and Android applications.

PROFILE

The students of the department are engaged through various activities like seminar presentations and home assignments on topics allocated from their respective syllabi in every semester. Geological field works for the students are carried out both within and outside the state. Students are taken for institutional visits to various geo-scientific organizations and reputed Universities. Eminent academicians are invited to deliver lectures on topics like geo-scientific issues, career-related issues etc. A departmental student forum entitled '**Geological Society of Pragjyotish College**' conducts activities like plantation drives, cleanliness drives, trekking, invited talks, geological model exhibitions, and various competitions amongst the students. A departmental newsletter entitled **Petra** is published annually. Students contribute towards the departmental wall magazines **Basundhara** and **Geopaedia**. Faculty and student exchange programs are held periodically under different MoUs. Student-mentoring is carried out with a view to address various problems faced by the students both at academic and personal levels. Programs like guardian-meets and alumni-meets are periodically conducted for garnering suggestions to improve upon departmental performance in various spheres.

PROGRAMMES OFFERED & INTAKE CAPACITY

- HS
- FYUGP : 40
- PG : 10

CERTIFICATE COURSES

- Certificate course on "Geoheritage Conservation"
- Certificate course on "Indian Knowledge Systems"

FACILITIES AVAILABLE

The departmental infrastructure and resources include departmental library, smart class-room, laboratories with a large stockpile of samples of rocks, minerals, fossils, petrological microscopes, ore microscopes and other equipment like sieve-shaker, brunton compass, clinometer compass, portable-GPS, pocket stereoscopes, electronic weighing scales, surveying equipment, etc. A desktop computer set, printer and three LCD projectors cater to various academic needs of the department.

Metamorphic Geology

ACHIEVEMENTS

Since its inception, the department has been actively involved in producing a good number of bright students who bags first class, even rank of first position many a times in the University final examinations. Departmental alumni have been able to secure PG and PhD level admissions in some reputed institutions like IIT, IISER, ISM, Calcutta University, Nagpur University, Kumaon University, Kachchh University, Banaras Hindu University, Bangalore University, etc. Various alumni have been absorbed in good positions in organizations like GSI, OIL, WIHG, NIT, oil and gas companies, colleges and universities, etc. The department has been nominated as a nodal centre for hosting the preliminary round of the International Earth Science Olympiad since 2010. The faculty members are engaged in publishing good quality publications and also attend national and international level academic meets from time to time. One faculty member of the Department has been selected as an UGC Master Trainer of IKS and also as a Mentor under the National Mission for Mentoring by NCTE.

CAREER PROSPECTS

Geology offers multiple career paths ranging from mining, oil & gas, research and academics, government sectors as well as in the entrepreneurial sector. A post-graduate degree in Geology, having cleared the GATE exam, opens up opportunities as a Geologist in public sector undertakings like OIL, ONGC, GAIL, CIL, etc. Qualifying the CSIR NET-JRF exam, makes one eligible to join universities and colleges as an Assistant Professor. Opportunities as a Scientist B exists in R&D organizations like NGRI, WIHG, PRL, BSIP, NIO, NCPOR, etc. Post-graduates who qualify the UPSC Geologists Examination, can serve as Geologists and Hydrogeologists under GSI and CGWB. Various public and private sector mining companies also hire Geologists. Geology graduates are qualified to appear for UPSC Indian Forest Service exam.

PROFILE

Established in 1954 as the Department of Commercial Geography at Pragjyotish College's temporary campus in Santipur, Bharalumukh, the department was spearheaded by Prof. Kali Podo Sen. In 1957, it evolved into the standalone Department of Geography under the leadership of Prof. Beda Kanta Baruah. A landmark achievement came in 1968 with the formation of the Pragjyotish College Geographical Society (PCGS), the first such society in Northeast India, dedicated to advancing geographical scholarship. The department reached another milestone in 2020 by launching postgraduate programs affiliated to Gauhati University.

PROGRAMMES OFFERED & INTAKE CAPACITY

1. HS
 2. FYUGP (Arts) : 40
 3. FYUGP (Science) : 05
 3. PG : 20
- PG specialization: 1. Geoinformatics
2. Population Geography 3. Fluvial Geomorphology

FACILITIES AVAILABLE

The department has a modern well-equipped GIS laboratory with all updated software's. The departmental labs are equipped with all necessary tools such as maps, topographical sheets, mirror stereoscopes, prismatic compasses, dumpy levels, theodolites, planimeter, rotameter and other instruments. The departmental library possesses more than 500 reference books along with a well-furnished reading room. To encourage the writing skills of the students, the department has introduced two wall magazines, namely GLOBAL VILLAGE and GEOGRAPHIC INFORMATION SERVICE. The department has a smart class room set up through funds obtained from RUSA. The department introduced its undergraduate programme (BA/BSC) in 1957 and HS (Science/Arts) course introduced in the year 1984. The CBCS undergraduate course implemented in 2019. The department has been upgraded to a Post Graduate Department in 2020. The department has also successfully conducted a Certificate Course on Application of Geographic Information System and Remote Sensing from 10th -15th August, 2020.

ACHIEVEMENTS

- NPTEL CERTIFICATION COURSE - (12)
- Higher education to PhD (3)
- ADRE - 5
- Census of India - 4

CAREER PROSPECTS

Geography is a versatile discipline bridging the physical and social sciences, offering diverse career paths in an increasingly data-driven world. Graduates are highly sought after in Urban and Regional Planning, Environmental Consultancy, and Natural Resource Management.

With the rise of location-based technology, expertise in Geographic Information Systems (GIS) and Remote Sensing is a major asset in sectors like disaster management, logistics, and telecommunications. Furthermore, geographers play critical roles in addressing global challenges such as climate change, sustainable development, and demographic analysis, working across government agencies, NGOs, and private research firms.

PROFILE

The department of Mathematics has a well-equipped library with a collection of around 400 books to fulfil the need of the students. The department has a computer laboratory and a digital class room. LCD projection facilities in classrooms are available in the department.

Remedial/Tutorial classes are also taken in each semester as per the necessity. Popular talks on different are organized frequently for the benefit of the students. Quiz competitions are organized to develop knowledge of current affairs, which are important part of any competitive examination. Students bring out a departmental wall-magazine every year and an e-Magazine. Our department celebrates the International 'Pi Day' on 14th March and **National Mathematics Day** on 22nd December every year. Field trip/Education trip are also organized as a part of outreach programme. Our Department has a good record of securing First Class in their graduation and also holds first class first position in B.Sc under Gauhati University. During the last three year, four students have cleared JAM Examination and selected for higher studies at IIT and NITs. Our faculty members are also actively engaged in research works with quality publications every year in various reputed National/International journals.

PROGRAMMES OFFERED & INTAKE CAPACITY

- HS
- FYUGP (Arts): 5
- FYUGP (Science): 40

CERTIFICATE COURSES

- Certificate course on "Mathematical Foundation and Reasoning"

FACILITIES AVAILABLE

The department has a well-equipped departmental library with a collection of around 400 books and a number of journals to fulfil partial needs of the students. The department has a digital classroom and a computer laboratory. LCD projection facilities in classrooms are available in the department.

FACULTY

DR PALLABI BORA

Guest faculty

Ph.D.

Spcl: Pure Mathematics
Pure Mathematics

ACHIEVEMENTS

The department has a record of holding first position in the final exam of Gauhati University. Already four students have qualified in JAM exam and pursuing higher education in IIT, IISER & NIT. Every year the department has a good record of students securing First Class in their graduation. Our faculty members are also actively engaged in research works with quality publications every year in various reputed international and Scopus Indexed Journals.

CAREER PROSPECTS

Mathematics offers diverse and lucrative career prospects across industries such as finance, technology, research, and academia. In India, roles like actuary, data scientist, quantitative analyst, and research scientist are among the highest-paying options, with salaries depending on specialization and experience. Besides, a mathematics degree holder can appear any competitive examination conducted by UPSC/APSC/SSC/Banking etc. As industries move toward the deep automation and AI-driven decision-making system, some specialized mathematical backgrounds have seen a massive surge in demand.

The career path with undergraduate degree are : Data Analyst, Actuarial Analyst, Financial Analyst, Operations Analyst, High School Teacher, Software Developer (with CS minor)

PROFILE

The Department of Physics, established in 1958, initially offered Pre-University courses. It introduced the undergraduate (General) program in 1960, followed by the Honours program in 1968.

The department is equipped with three well-maintained experimental laboratories featuring modern instruments that support practical learning and research-oriented activities. It also houses a fully functional computer laboratory with high-speed internet access and an ICT-enabled classroom with audio-visual and multimedia facilities, fostering an effective and engaging learning environment.

Academically, the department organizes seminars, science quizzes, expert talks, and career counselling sessions. Educational excursions to universities and research institutions are arranged periodically. It also collaborates with the Indian Association of Physics Teachers (IAPT-RC-17) to conduct various scientific activities. A notable initiative, "Students as Teachers," encourages students to take on teaching roles, enhancing their understanding and confidence.

The department has consistently achieved strong academic results in examinations under Gauhati University, with several students securing top ranks. Its alumni have successfully entered government and private sectors, while many have pursued advanced research in prestigious institutions, contributing significantly to science and technology.

PROGRAMMES OFFERED & INTAKE CAPACITY

1. HS

ACHIEVEMENTS

Student's achievement

- Bhaskarjyoti Mahanta, secured UGC CSIR NET JRF with AIR 181 in 2025.
- Bhaskarjyoti Mahanta, cleared IIT GATE 2026 with AIR 121.
- Somoudrajit Dev Choudhury cleared IIT JAM 2026 with AIR 715.
- Himangshu Kalita cleared IIT JAM 2026 with AIR 2185.

Faculty achievement

- Dr Devabrat Mahanta, was awarded by the PANE (Physics Academy of the Northeast) Young Scientist award for the year 2026.

CAREER PROSPECTS

Graduates can pursue higher studies such as M.Sc., M.Tech., or Ph.D. in Physics, Applied Physics, or interdisciplinary fields. Career opportunities exist in research institutions like IISc, IITs, IISERs and ISRO, universities, and national laboratories. Students may also enter teaching, data science, IT, or government services through competitive exams like UPSC and SSC. In Assam and the Northeast, opportunities are growing in education, energy sectors, environmental science, and emerging technology fields. With strong analytical and problem-solving skills, Physics graduates can build careers in both academic and industrial domains.

PROFILE

The department of Statistics started in the year 1991 with a retired Professor Dhiren Kumar Choudhary as a Whole time faculty (HoD) in the Department of Statistics with only Pass Courses with 45 students. In the year 1992 Pranita Goswami was appointed as whole time faculty in the Department of Statistics. In the year 1995 Pranita Goswami was working against sanctioned Post in the Department of Statistics with only Pass courses. Major course started in the year 2006 with three Guest Faculty .In the year 2011 the Department of Statistics has been recognised as Ph.D Level Research Laboratory with three whole time faculty. The Department of Statistics has adequate facilities of computers and internet which is a boon for carrying out of practicals, project works and research work by the research scholars and students. A library encompassing books and journals of the subject is regularly maintained which is found to be very beneficial for the students as well as for the faculty members.

PROGRAMMES OFFERED & INTAKE CAPACITY

- HS
- FYUGP (Arts): 5
- FYUGP (Science): 20

CERTIFICATE COURSES

- Certificate course on "LaTeX"

FACILITIES AVAILABLE

The department is well decked and equipped with furniture for all convenience. A library encompassing books and journals of the subject is regularly maintained which is found to be very beneficial for the students as well as for the faculty members. It is noteworthy that, the department has PhD Research Laboratory recognition. Adequate facilities of computers and internet, is a boon for carrying out of practicals, project works and research work by the research scholars and students.

STATISTICS

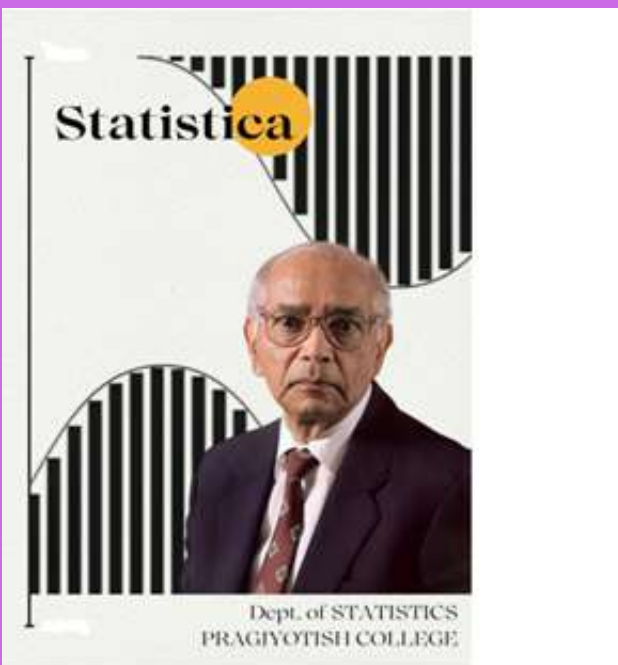

ACHIEVEMENTS

Concentrating on the growing demand of Statistics in every area of studies, the college introduced Major course in the subject in the year 2006. Since then, the academic results as well as the number of students of the department are upgrading significantly year after year. The department has been producing students with first class every year with one distinction in 2012. During the session, 2014-15, one student secured first class from the Arts stream.

- Progression to higher education: 15
- Placement: 10

CAREER PROSPECTS

Statistics offers diverse roles in data analysis, research, finance, and healthcare. Common positions include statistician, data scientist, biostatistician, actuary, financial analyst, business intelligence analyst, and market researcher. In India, opportunities abound in clinical research, pharma, IT, Statistics is essential for rigorous research, enabling data summarization, hypothesis testing, and inference to validate findings. It helps quantify uncertainty, detect patterns, control errors, and ensure reproducibility—crucial for physiotherapy studies on treatment efficacy or epidemiology. Tools like regression and ANOVA support evidence-based conclusions, directly aiding your biostats and fuzzy queueing work and government sectors like Ministry of Statistics. U.S. projections show 34% growth for data scientists and 11-30% for statisticians through 2034, far above average. In India, biostatisticians and data analysts see high demand due to clinical trials and data-driven industries. Demand for statisticians is strong globally and in India, with thousands of openings listed on platforms.

PROFILE

About the Department (Maximum 200 words):

The Department of Commerce at Pragjyotish College, Guwahati, established in the year 2003-04 stands as a premier hub for business education in Northeast India. Since its inception, the department has been dedicated to cultivating financial expertise and leadership through a robust academic framework aligned with Gauhati University and the National Education Policy (NEP). The stream is structured into four major specialized departments designed to meet the evolving needs of the global corporate landscape:

Accountancy: Mastering financial recording, auditing, and professional taxation standards.

Finance: Focusing on capital markets, investment strategies, and financial management.

Human Resource Management (HRM): Developing skills in organizational behavior, talent acquisition, and personnel management.

Marketing Management: Equipping students with strategic leadership and modern marketing insights. With a focus on holistic development, the department work in synergy to bridge the gap between classroom theory and the professional world through industrial visits, workshops, and skill development courses. Boasting highly qualified faculty and an NAAC 'A' Grade environment, it prepares students for prestigious certifications like CA and CS, as well as roles in top-tier corporate houses and banking sectors.

The Commerce Stream is equipped with a well-furnished Computer laboratory and smart class room.

ACHIEVEMENTS

- A Total of 30 Students from Commerce stream who passed out in 2024-25 were absorbed in different job sectors.
- A Total of 50 Students from Commerce stream who passed out in 2024-25 are pursuing M.Com, MBA in different higher education institutes.

CAREER PROSPECTS

The Department of Commerce plays a vital role in preparing students for diverse career opportunities in both the public and private sectors. It equips students with essential knowledge and practical skills required for fields such as banking and finance, where financial analysis and decision-making are crucial. Students are also trained in accounting and auditing, ensuring accuracy and compliance in financial records. The department fosters business management skills, encouraging leadership and organizational abilities. Additionally, it promotes entrepreneurship by developing innovative thinking and risk-taking capacity, enabling students to start their own ventures or secure rewarding employment opportunities.

PROFILE

The Post Graduate Department of Tourism Management at Pragjyotish College, established in 2004, is dedicated to providing quality education and professional training in the dynamic field of tourism and hospitality. Recognized as a pioneering institution in the North Eastern Region, the department was founded with the aim of developing skilled human resources to meet the growing demands of the tourism industry and now functions as a self-sustained unit under the college authority. The department currently offers the MTM postgraduate programme and Tourism and Travel Management (TTM) under FYUGP, along with Tourism and Hospitality as a subject at the Higher Secondary (H.S.) level for early exposure to the discipline. The curriculum integrates theoretical knowledge with practical training in tourism planning, travel operations and hospitality management. Emphasis is placed on skill development through field visits, internships, workshops and industry interaction. The department maintains a strong placement record of over 80%, with graduates employed in travel agencies, airlines, hotels, tour operations, government schools and colleges and other organizations, contributing effectively to the industry.

With experienced and dedicated faculty and a learner-centric approach, the department develops strong communication, managerial skills and professionalism, nurturing responsible tourism professionals who contribute effectively to the society.

PROGRAMMES OFFERED & INTAKE CAPACITY

- Tourism and Hospitality in HS : 60
- Master of Tourism Management : 30
- Travel and Tourism Management under FYUGP

CERTIFICATE COURSES

- Certificate course on "Tourism Operations and Hospitality Skills".

TOURISM MANAGEMENT

FACILITIES AVAILABLE

- Departmental library with dissertations and field reports
- ICT-enabled classrooms
- Computer laboratory and essential facilities for skill development in tourism and hospitality

ACHIEVEMENTS

The Department of Tourism Management has consistently maintained good academic performance in university examinations.

- Ms. Nangbang Jessica Devi (Batch of 2025), a student of the department, has been awarded the Best Post Graduate Award under the Master of Tourism Management (MTM) programme of Gauhati University.
- In 2026, Ms. Pallabi Dutta (Batch of 2020) successfully qualified the UGC-JRF in Tourism Management. Ms. Silpi Rani Baruah, a former student of the department, has successfully completed her Ph.D. from MIT University.
- More than 30 students have been placed in various government and private organizations within the tourism and hospitality sector. Additionally, 3 students have progressed to higher education, including Ph.D. and B.Ed. programmes.

CAREER PROSPECTS

Graduates of Tourism Management have diverse career opportunities in the growing tourism and hospitality sector. They can pursue career in travel agencies, tour operations, airlines, hotels, cruise lines, event management and destination planning. Opportunities also exist in government tourism departments, NGOs, and as vocational educators. With the rise of eco-tourism, cultural tourism and digital platforms, new avenues are emerging in sustainable tourism and online travel services. The programme equips students with essential skills and industry knowledge, enabling careers in India and abroad, while encouraging entrepreneurship and making it a highly employment-oriented field.

PROFILE

In the year 2007, Pragjyotish College introduced a three year BBA course as a part of its horizontal expansion. The three year BBA curriculum runs as a successful self financing course under NEP 2020. Apart from regular interactive lecture sessions, the department is also engaged in extension and innovative activities including educational tours, field visit, student enrichment programs, seminars and workshops etc.

The department focuses on all round holistic development of the students. Students are encouraged to participate in group discussions, seminars, debating, quiz and other competitions for accumulating knowledge and skills. Moreover, students are also encouraged to face campus interviews which are conducted by the college.

A good number of students have achieved First Class in their graduation from the inception of the department. Students are well placed in many government organizations like Indian Railways, ONGC, Canara Bank, Bank of Baroda, ICICI Bank, HDFC Bank, Axis Bank etc. as well as in other renowned corporate houses.

PROGRAMMES OFFERED & INTAKE CAPACITY

- BBA : 60

CERTIFICATE COURSES

- Certificate course on "MOOCS (NPTEL/SWAYAM)".
- Certificate course on "Wellness/Holistic Program (Art and Movement Therapy)."

FACILITIES AVAILABLE

- Departmental Library with a rich collection of books.
- Digital Projector equipped classrooms.
- Internet facility.

BUSINESS ADMINISTRATION

ACHIEVEMENTS

- Two-third faculty members are having PhD degrees and having vast teaching experience in their respective fields.
- Students secured 1st position in Open ArmWrestling Competition, also 1st position in Short Put and Discus throw and also 1st position in Bride and Groom competition during the College Week festival.

CAREER PROSPECTS

A Bachelor of Business Administration (BBA) offers strong career prospects in fields like marketing, finance, human resources, operations, and entrepreneurship. Graduates can pursue roles such as business analyst, marketing executive, or sales manager. It also provides a solid foundation for higher studies like an MBA, which significantly boosts career growth and earning potential. With the rise of startups and corporate expansion, BBA graduates are in demand across industries, including banking, IT, retail, and consulting. Strong communication, leadership, and analytical skills further enhance job opportunities and long-term career advancement.

PROFILE

The department established in 2006, has completed eighteen years of glorious existence. Preparing students for mock interviews, software modelling and off-campus sessions, and various personality development programs are rendered for greater benefit of the students. Specialized classes and laboratory sessions are conducted by esteemed and experienced faculty members, keeping a view on the benchmark of the department. Students are encouraged to participate at different seminars and workshops, both at the state and at the national level. The department has been conducting online classes via different modes like, Google Classroom, Zoom Cloud meetings, WhatsApp, college website, etc. Add-On Courses (30 hours) on "Computing and Problem Solving with Python Programming" has been introduced from the year 2023.

PROGRAMMES OFFERED & INTAKE CAPACITY

- BCA : 60

CERTIFICATE COURSES

- 3 Months Diploma in Applied Computer Applications & AI Literacy

FACILITIES AVAILABLE

The department has one air-conditioned computer lab facility. The computer systems run on wide variety of operating systems, including Linux, Windows, etc. The labs are equipped with up-to-date DBMS packages, Tally accounting package, Web Servers & Browsers, Assembly Language Programming Kit for Intel-8085 Microprocessors, Compilers and Programming environments.

COMPUTER APPLICATIONS

ACHIEVEMENTS

More than 350 students have achieved first class in their graduation. Many of the passed-out students are engaged in various reputed institutions, Govt./Semi-Govt./Private organizations and offices. Recently, We get AICTE Approval.

CAREER PROSPECTS

The future scope of the Bachelor of Computer Applications (BCA) course is very bright due to the rapid growth of the IT industry and digital transformation in every sector. BCA graduates can build careers in software development, web design, data analysis, cybersecurity, cloud computing, and artificial intelligence. They can work in IT companies, banks, government offices, startups, and multinational companies. Higher studies like Master of Computer Applications (MCA), MBA, or specialized certifications further improve job opportunities. With increasing demand for skilled computer professionals, BCA provides a strong foundation for a successful and future-ready career in technology and management.
