From The Principal's Desk

It is great pride and pleasure that I present our annual institutional newsletter 'KCIAN'. KCIAN is a reflection of the collective achievements, growth and dynamic spirit of our institution.

The past year has been one of team work to achieve long standing goals, transformation, resilience and commitment towards nudging higher benchmarks. Our students, teachers and staff have demonstrated extraordinary dedication and creativity, rising to meet the challenges with determination and grace. The College achieved NAAC re-accreditation and ISO 9001:2015 certification during this period.

Today, the College has more than 3200 students hailing from all across the North East as well as some other parts of the country. Academic results have been very good over the years. For eg., 90% students secured first class in B. Com. while 100% secured first class in BBA last year. Varsha Bothra secured first rank in the State in the H.S. Final Examination 2023.

The College however also facilitates students with an environment that enables them to identify their latent talents in both scholastic and co-scholastic domains so that they can hone their skills and transform themselves into an enviable human resource. Twelve Certificate Courses and Counseling Sessions for CA are being offered through the Department of Value Added Education of the College. K. C. Das Commerce College is a registered unit under MSME, Government of India and a recognised Skill Hub under the PMKVY 4.0. (Pradhan Mantri Kaushal Vikas Yojana). The College is self-reliant in the

Information Technology sector to a large extent. The IT-R&D Cell powers IT services of many Colleges. Students should take more advantages of all these services offered by the College.

From academic excellence to cultural and sporting achievements as well as commitment towards community outreach, the accomplishments featured in this newsletter are a testimony to the hard work and passion that define our College community. In these pages one would find mention of innovation, collaboration and perseverance. Whether it is the success of students in competitions or academic achievements of faculty members or, various initiatives undertaken to foster a more inclusive and supportive environment, each piece reflects the values that we hold dear.

As we look forward to the future, let us continue to build on the strong foundation we have laid, striving towards greater heights of excellence and impact. The coming days will be giving us more opportunities to learn and experience new things as we will be delivering the needful for NEP-2020. We are committed to deliver the best possible in this regard.

I extend my heartfelt thanks to everyone who contributed to this newsletter and to those who continue to make our College a place of learning, growth and inspiration. May the coming year bring more success and fulfillment.

Warm regards,

Dr. Hrishikesh Baruah
Principal

Sanskrit Day was celebrated at K. C. Das Commerce College on 30th of August 2023. The College organized Sanskrit Day in collaboration with Sanskrit Bharati.

The event was presided over by the Principal of the college, Dr. Hrishikesh Baruah. The Chief Guest was Shri Kumud Barthakur, President, Sanskrit Bharati, North Assam Region, who emphasized and encouraged the students to study in Sanskrit teaching centres.
